

Big thank you to all the volunteers who helped produce this walk. The route was accessible at the time of print. (02/18)

**Start:** Turn right out of the Canal & River Trust car park. Follow the road to Keepers Lock. Go over Canal Bridge 50, cross the road and walk along the canal towpath of the Trent & Mersey Canal. Shortly after passing under a concrete road bridge turn right over Canal Bridge 49 immediately after Bagnall Lock and continue ahead past some garages on the left (ignoring the public footpath sign on your right).

**Bagnall Lock**

Turn left along a narrow path, and enter a sports field. Follow the path on the right-hand side of the sports field passing sports courts keeping the perimeter fence on your right. Go through the right-hand gate adjacent to the pavilion along a path flanked by a line of fir trees on your left. Emerge on to a car park and turn right down the access road. Walk past the close (The Cricketers) on your right and go through a gap in the hedge to emerge onto a main road (A513). Cross the road (caution – fast traffic) and enter Daisy Lane immediately opposite. Walk along Daisy Lane for approximately 300 yards and pass through a kissing gate on the left-hand side (ignore previous gates which are padlocked).

## Fradley Junction to Fradley circular walk

Distance: 4.6 miles / 7.6kms    Time: 1<sup>1/2</sup> -2 hours

Follow the worn footpath diagonally across the field to another kissing gate. Go into the next field and follow the worn footpath diagonally across this field to reach a concrete bridge over a stream and pass through a small five-barred gate into the next field. Follow the path next to the hedgerow on the left-hand side of the field. At the far end of the field, with a house on the left, turn right on to a track. After approximately 80 yards turn left by the **Public Footpath sign** after the cottages and take the left hand footpath (not the one diagonally across the field).
