

Community Adoptions Expression of Interest

Are you interested in adopting a section of local waterway?

Community adoptions are a great way to get active, make a difference in your area and transform your local waterway. Your group needs six or more members and will be willing to volunteer roughly once a month on the adopted waterway. We have lots of other volunteering opportunities if a community adoption isn't right for you. **Visit canalrivertrust.org.uk/volunteering**

Organisation name

What kind of organisation are you? Registered charity, company, community interest company, constituted group (but not a charity), other (please explain)

Purpose of group

Nature of target audience / members (e.g. young people, local community, special needs)
